

Admissions Policy

It is our intention to make Bridgwater College Childcare Centre accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible, in written and spoken form and, where appropriate, in more than one language. Where necessary, we will try to provide information in Braille. We will provide translated written materials where language needs of families suggest this is required and will endeavour to access an interpreter.
- We arrange our waiting list by the date of arrival of the application form at the centre. In addition our policy may take into account the following:
 - The availability of requested days and times
 - The need for emergency care
 - The need to place siblings together
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our setting and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and other carers, including childminders.
- We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, and ethnicity; or from English being a newly acquired additional language.
- We describe our setting and its practices in terms of how it enables children and/or parents with disabilities to take part in the life of the setting.
- We monitor the gender and ethnic background of children joining the group to ensure that our intake is representative of social diversity.
- We make our Valuing Diversity and Promoting Equality Policy widely known.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.
- Children will not be allowed in after 11am in order to settle children ready for lunchtime.
- Afternoon Sessions begin at 1.00pm.
